Suspect Email:	kyc.update.helpdesk@gmail.com
Suspect IP (approx):	103.230.xx.xx (via VPN - India Gateway)

C. STATEMENT OF FACTS / COMPLAINT NARRATIVE

The complainant, Rajesh Kumar Sharma, states that on 08-07-2026, at approximately 11:15 AM, he received a WhatsApp message from an unknown number (+91 70045 89123) claiming to be a representative of the HDFC Bank KYC updation team. The message stated that his account would be blocked within 24 hours if he did not complete an urgent KYC verification process via a link provided in the message.

The complainant, believing the communication to be from his bank, clicked the phishing link which led to a professionally designed fake HDFC Bank portal (hdfcbank-kyc-update.in). He was asked to enter his UPI ID (rajesh.sharma@okicici), mobile banking credentials, OTP received on registered mobile, and account details. Within minutes of submitting the form, he received SMS alerts showing three unauthorized UPI transactions totaling ₹4,82,000/- debited from his HDFC account.

Transaction 1: ₹2,00,000 transferred to mule1@icici on 08-07-2026 at 11:24:33 hrs.

Transaction 2: ₹1,50,000 transferred to mule2@sbi on 08-07-2026 at 11:26:14 hrs.

Transaction 3: ₹1,32,000 transferred to mule3@axis on 08-07-2026 at 11:29:05 hrs.

The complainant immediately called the bank's toll-free number 1800-XXX-XXXX and blocked the account, but the funds had already been disbursed. He subsequently filed a complaint on the National Cyber Crime Reporting Portal (cybercrime.gov.in) on 09-07-2026 (Acknowledgement No. 4501/2026/MH/NCPR) and visited the Cyber Crime Police Station on 11-07-2026.
